

Interactive Bible Study

The Interactive Bible Study series has been developed to lead the Bible student through the steps of considering a number of Bible subjects. These lessons are interactive because they require you to look up passages of scripture in the Bible and answer a series of questions based on what the Bible teaches. We encourage you to read and apply the context around each passage suggested in the Bible. We also encourage you to enter into this or any study of the Bible prayerfully and thoughtfully. Take the time to consider the things taught in God's word honestly with an open heart and mind.

Once we do these things we become followers of Christ because we have done both what Jesus and our Heavenly Father have told us to do and God adds us to the Lord's church. YES or NO
